Services

#### **II.1.4) Short description**

Introduction This Pre-Qualification Questionnaire has been issued by the Council in connection with a competitive procurement conducted in accordance with the Procedure under the Public Contract Regulations 2006. This PQQ sets out the information which is required by the Authority in order to assess the suitability of potential providers in terms of their technical knowledge and experience, capability, capacity, organisational and financial standing to meet the requirement. During the PQQ stage, the intention is to arrive at a shortlist of qualified potential providers to proceed to the Tender process against the requirement as advertised in the OJEU Notice. This PQQ is to with respect to the implementation of the Oracle Cloud Implementation Service. The Council has On-premise Oracle system which it would like to replace by migrating all their HCM, Finance and Procurement Process and data to Oracle Cloud. If you are interested to participate to this tender and have not registered with the council, please follow the link below to self register to get the access to supplier portal from where you will be able to access and submit response to this tender activities.
