- 2 years, 3 months, 7 days

Actual contract dates:

- 24 February 2026

Contract 2. contract 2

Removed suppliers

This provides transparency where a supplier has been removed from a multi-supplier contract that is continuing, such as a framework. This might be done if they are now an excluded or excludable supplier, for example.

If a contract has been transferred from one supplier to another due to corporate restructuring then a UK10 contract change notice will be published instead. If a contract has been terminated then a UK11 contract termination notice will be published instead.
