Date signed

25 March 2025

Contract dates

- 1 September 2025 to 1 September 2026
- Possible extension to 1 April 2027
- 1 year, 7 months, 1 day

Description of possible extension:

The contract for advertising services for the public health campaign, initially set to commence on 1st September 2025 and end on 31st March 2026, includes provisions for potential extensions. These extensions can be exercised based on the performance of the contractor, the ongoing needs of the campaign, and the availability of funding. The contract can be extended until 31st March 2027, allowing for up to an additional year of services.

Extension Provisions

Performance-Based Extensions:

Criteria: The contractor must meet or exceed the key performance indicators (KPIs) outlined in the contract. These KPIs include metrics related to campaign reach, engagement, and impact.

Process: Regular performance reviews will be conducted to assess the contractor's performance. If the contractor consistently meets the KPIs, an extension may be granted.

Needs-Based Extensions:

Criteria: The ongoing needs of the public health campaign may necessitate continued advertising services. This could be due to the emergence of new public health priorities or the need to sustain the campaign's momentum.

Process: The contract manager will evaluate the campaign's progress and determine if an extension is required to achieve the desired outcomes.

Funding-Based Extensions:

Criteria: Availability of additional funding to support the extended services. This could come from government allocations, grants, or other sources.

Process: The contract manager will work with the finance department to secure the necessary funding for the extension.

Extension Timeline

Initial Contract Period: 1st September 2025 to 31st March 2026

First Extension Period: 1st April 2026 to 31st March 2027

Extension Approval Process

Performance Review: Conduct a thorough review of the contractor's performance against the KPIs.

Needs Assessment: Evaluate the ongoing needs of the public health campaign.

Funding Confirmation: Secure the necessary funding for the extension.

Approval: Obtain approval from the relevant authorities, including the contract manager and procurement board.

Notification: Notify the contractor of the extension and update the contract terms accordingly.

Benefits of Extensions

Continuity: Ensures the continuity of the public health campaign without disruption.

Consistency: Maintains a consistent approach and messaging throughout the extended period.

Flexibility: Provides flexibility to adapt to changing public health priorities and emerging needs.
