Description

NS&I has a requirement for a provider who will be responsible for delivering a high-performing, cost-effective, and scalable integration function that enables NS&I to manage its technology estate and operate the business efficiently

The provider is responsible for ensuring operational excellence and seamless integration across the multi-supplier environment. The provider will be independent from the Strategic Suppliers to ensure objective and effective management of the end to end solution.

Contract awarded following a further competition via the Crown Commercial Services Technology Services 3 RM6100 framework, Lot 4. The contract initial term is 36 months with an optional 12 month extension.

Total value (estimated)

- £123 excluding VAT
- £48,000,000 including VAT
