Contact Organisation

Which organisation should be contacted with any enquiries?

Procedure

Is this procurement under a special regime?
Select all that apply. Concession: Main procurement category must be services or works. Light touch: Main procurement category must be services.

☐ Concession

☒ Defence and security

☐ Light touch

☐ Utilities

☐ No special regime

An additional procurement category with a lower threshold is included
If so then the lower threshold applies. For example, if goods are included in a contract mainly for works.

Is the total value of the procurement above or below the relevant threshold?

Above threshold

What is the procedure type?
Select competitive flexible procedure if a dynamic market is being used.

Open procedure

Is a reduced tendering period being used?
Starting the day after tenders are invited and ending the day they must be submitted by. Normal minimum is 25 days, with electronic submission and if all associated tender documents are provided with the tender notice.

no

What is the main procurement category?
Select the main type if more than one applies.

Services

Is this notice inviting requests to participate or tenders?

Tenders

Has preliminary market engagement been carried out?

yes

Scope

Procurement title

2.6 Open Procedure, multlot, multi award, framework, defense

Procurement description
Provide sufficient information to understand the scope of the procurement.

2.6 Open Procedure, multlot, multi award, framework, defense description

Is the procurement divided into lots?

yes

CPV classifications
Select all that apply. At least one code must start with 03 to 44 or 48 for goods contracts, 45 for works, or 49 to 98 for services.

50111000 - Fleet management, repair and maintenance services

Procurement reference
The contracting authority's own reference, if used. For example, ABC123.

Is a framework being established?

yes

Are CPV classifications the same for all lots?

yes

Are the delivery locations the same for all lots?
Select yes if delivery locations do not apply to any lot.

yes

Delivery regions

Select all that apply.

United Kingdom

Total value (estimated)

Excluding VAT 

Mandatory if at least one CA is central government

4000000

Including VAT

5000000

Currency

GBP

Are contract dates the same for all lots?

yes

Contract start date (estimated)

For example, 01 04 2025.

01/01/2026

Contract end date (estimated)

Without any extensions.

31/12/2029

Can the contract be extended?

yes

Extension end date (estimated)

If all extensions are used.

31/12/2030

Description of extensions

Include the circumstances in which they could be used, and provide a breakdown if multiple extensions are possible.

like I want

Does the contract include options?

The right to additional purchases while the contract is valid.

No

Are award criteria the same for all lots?

yes

Maximum number of lots a supplier can bid for

If less than the total number of lots.

Maximum number of lots a supplier can be awarded

If less than the total number of lots.

Description of how multiple lots may be awarded

When a supplier would otherwise exceed the maximum number of lots, or if groups of lots may be awarded together.

Framework

Is this an open framework scheme?

An open framework scheme is a series of successive frameworks on substantially the same terms, with awarded suppliers carried over but new suppliers able to join as well.

Yes, a new open framework scheme

Open framework scheme end date (estimated)

31/12/2030

Maximum number of suppliers

Percentage fee charged to suppliers

Based on estimated value of awarded contracts. If there is no fee, enter 0.

1

Further information about fees

Framework operation description

Include how prices are determined and any selection process for the award of contracts.

take it or leave it

Award method when using the framework

Either with or without competition

Can the framework be used by other contracting authorities as well as those establishing it?

yes

Can the framework only be used by contracting authorities in specific locations?

Contracting authorities that may use the framework

Describe categories of authorities or list the authorities.
